# Belle *and* Sebastian

## Belle

Belle is a majestic white dog who is looking for a home. Because of her enormous size, people fear her. But the only thing bigger than Belle is her heart! She is not a beast, but instead, a best friend.

## Sebastian

Sebastian is a 9 year old boy who is a little wild and has a hard time following the rules. He longs for the family he has never known, but finds a happy home with his adoptive grandfather.

# Sebastian's Family

## Angelina

She sees herself as Sebastian's mother, even though she is really more like a big sister. She is a ray of sunshine and always has something nice to say to anyone and everyone!

## Grandpa Caesar

Under his rough and brooding persona, Caesar is gentle, kind and understanding. He took in Sebastian many years ago and has raised him as his own.

# Friends

## Sonny

Adele's clumsy brother, who admires Sebastian and tries very hard to be just like him.

## Adele

A good student who is able to do what she wants, when she wants with no questions! She is a master of words and can talk herself out of any situation.

# Foes

## Cameron

The town "enemy" who constantly sabotages Belle and Sebastian's fun.

## Gabriel

A foolish, kind boy who gets easily swayed into Cameron's schemes.

# Foes

## Ivan

A farmer who is always complaining about the kids playing on his land!

## Anton

A poacher who wants to catch Belle!

## Roberta

The village gossip who works at the Inn.

# Setting

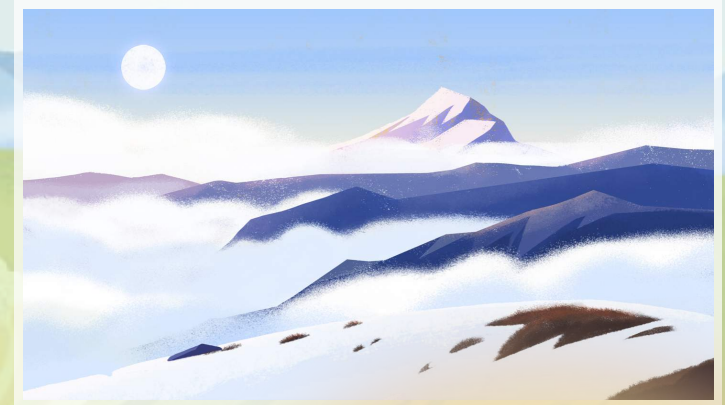

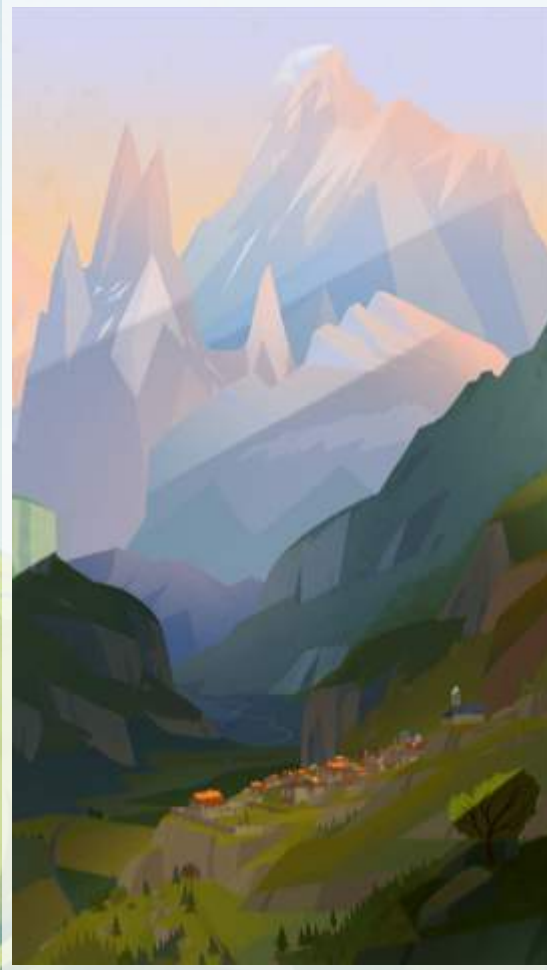

# Setting

The French Alps

The peaks and valleys of the French Alps, in a time when the world was a much simpler place, is the backdrop to a series filled with non-stop adventure & inspiring stories which prove that a true friendship can conquer all.

Children of all ages will be transported into the magical world of Belle & Sebastian.

# Setting

Sebastian's Home (Outside)

Nature is key! The mountains, forests, rivers, hills, sky, and flowers create a rich and diverse environment.

The world of Belle and Sebastian provides an environmental dimension that teaches children to respect nature and animals.

# Stills

Episode structure:

Implementation of the challenge / Climax / Resolution of the challenge

This construction allows many twists and turns and suspense. At times, some scenes can be a little bit scary but kids of this age like that. Some scenes are very moving as well (especially when it deals with animals in danger).
